Foreword

There is no graduating class in our county this year because of the adopted five year plan. Therefore, the Junior Class and Annual Staff take pride in presenting to you the 1956 edition of our yearbook, "The General." We have selected as our theme an invitation to make a tour of our school. You are invited to meet our administrators, our faculty, our classmates, our advertisers, and other school personnel. We would like for you to attend our classes and join in our activities as we remember -school days of 1956. "Come with us----."
